CONCLUSIONS OF LAW AND OPINION:

Based on the above Findings of Fact, the Board is of the opinion that the use of the property by the non-profit organization will not require structural changes, and is not likely to become objectionable to neighboring properties because of noise or other conditions. The Board concludes that the use of the property and its location between 7th Street, N.W. and 14th Street, N.W. and the large school population of that area makes — the center reasonably necessary and convenient to the neighborhood. It is therefore ORDERED that this application is hereby GRANTED for a period of three (3) years.
